

Why GraniteWMS

- **Simple and Accurate**
- **Efficient and Optimised**
- **Value and Service**
- **Integration and Support**

GRANITE
WAREHOUSE MANAGEMENT SYSTEM

Why GraniteWMS? Simple and Accurate

- Receiving and put-away is easy and accurate
- Stock is labelled correctly at the bins
- Adjustments are done in front of the bin – keeping stock accurate and reducing work

GRANITE
WAREHOUSE MANAGEMENT SYSTEM

Why GraniteWMS? Efficient and Optimised

- Capture Expiry dates, Batch Numbers and even serial numbers in front of the product
- Stock take is easy and quick
- Validation and accuracy, together with speed in picking is a priority
- Barcode scanning helps all processes
